

No matter where or how you need to support your background we have the right solution.

- The Manfrotto background support system is based on the Expan, a fast and efficient background drive set. Insert the EXPAN into the background roll, block and use the chain to roll the paper up and down as you wish.
- A system of hooks is available in pairs and can support 1, 3 or 6 backgrounds when used in conjunction with the Expan.
- B/P Hooks can be attached to Autopole by using the Super Clamp code 035 or screwed directly onto a wall or ceiling.

046

EXPAN

1.2kg
