

NEW FB Distinction 320gsm

Digital & Fine Art Archival Printing Solutions for the Imagemaker

DESCRIPTION OF PRODUCT

An enhanced bright white, acid free Baryta base offering exceptional reproduction qualities. The superior coating enables modern inks to achieve the highest D-Max rating in the world, therefore delivering the widest tonal range. The premium gloss surface guarantees full archival stability – a standard which is found across the PermaJet Fibre Based range of 100% alpha cellulose coated materials.
