

FB Pearl 300gsm

Digital & Fine Art Archival Printing Solutions for the Imagemaker

DESCRIPTION OF PRODUCT

A luxurious sumptuous fine art pearl finish reminiscent of a silver halide fibre-based print. The undulations throughout the acid free alpha cellulose base has been internally buffered to enhance fade resistance. The exceptional coating technology incorporated allows for excellent tonal range & detail with a glorious pearl surface finish delivering high contrast, deep rich blacks & pin sharp results. Exceptional D-Max and colour gamut, compatible with both dye and pigment inks.
